

FIFTH INDUSTRY FOR GETTYSBURG

J. I. Burgoon Announces Plans
For Canning Factory
Here.

START IN A FEW WEEKS

To Erect Plant in East End. Almost
Sixty Employees Needed to Can
Peaches and Tomatoes.

On the heels of the opening of Mendels Brothers shirt factory in Center Square, the American cigar plant on Carlisle street, the Eagle silk plant on Buford avenue and an announcement of an addition to the furniture factory, is issued a statement that Gettysburg is to have a canning factory.

Rumors of a proposed canning factory have been floating around Gettysburg for many weeks but it was not until today that the plans had become sufficiently definite to be announced by J. I. Burgoon, Springs avenue, who was at the head of the hardware business at the Department store for ten years.

D. E. Yingling, a farmer from Silver Run, Maryland, is to be associated with Mr. Burgoon in the latest venture started in Gettysburg.

Seventeen acres of land located northeast of the furniture factory along the Western Maryland railroad tracks have been purchased from the Martin Winter estate by Mr. Burgoon and Mr. Yingling, and erection of a canning factory on that site is expected to start within a few weeks. The factory building will be forty by sixty feet and a storage plant of equal dimensions will be erected also.

Between fifty and sixty employees, mostly girls, will be needed to help can National Park tomatoes and National Park peaches which is the name selected for the new brand.

It is the intention of the firm of Burgoon and Yingling to start their enterprise in a small way and to increase their production as their business warrants. They intend to can apples at the end of the summer and then possibly to handle even more than three articles. Their plans at the present time are still tentative to some extent.

Gettysburg was selected as the site for their plant, according to Mr. Burgoon, because he and Mr. Yingling believe it is the logical place for such an industry. Orrtanna, Biglerville, Aspers, and other places in Adams county have canning factories, they point out, and they think that the county seat should be represented in this industry that is bound to grow in one of the greatest fruit sections of the east.

Erection of their plant will mark the fifth new industry for Gettysburg in less than one year.

BIGHAM FOR DELEGATE

Biglerville Merchant Out Against
Tyson and Baker.

S. Gray Bigham, Biglerville merchant, is circulating a petition in order to become a candidate for Republican delegate to the national convention of that party in Chicago next June. Paul Gilbert, of York, has also announced himself as a candidate for Republican delegate.

William C. Tyson, of Guernsey, and John E. Baker, of York, previously announced their candidacy to become delegates to the Republican convention.

STOLE SEYLAR CHICKENS

Miscreant Commits Robbery Night
Before Funeral.

Misfortune seems to be following the foot steps of the Seylar family.

Early Sunday morning, the same day that the funeral services were conducted for twenty three year old Anna Seylar, who was killed by a truck last Thursday, some miscreant stole practically all the chickens owned by Lewis Seylar, father of the girl, from the roost of the farm located near Guldens.

SILK MILL WHEELS START IN MOTION

Eagle Throwing Plant Assumes
Place in Local Industrial
Ranks.

Combined efforts of the Chamber of Commerce, the TIMES, and all other agencies which acted as boosters to secure an Eagle silk throwing plant for Gettysburg culminated at 7:30 o'clock this morning when the wheels of the factory were set in motion under the supervision of Arthur E. Jones, of Shamokin, superintendent of the local plant.

The first turn of the wheels of that plant was the first step in the development of an industry which local residents hope will reach great proportions in Gettysburg, such proportions as will keep pace with the rapid progress promised in the furniture and cigar making industry here.

"We will expand just as fast as we can secure employees," is the oft repeated statement of officials of the J. H. and C. K. Eagle company. Arthur E. Jones made that statement again and expressed hope that the present size of the Gettysburg plant could soon be doubled.

Only fifteen girls started in work when the plant began operation but that number is only a handful to what the Eagle men expect to employ later. Failure of machinery to arrive has prevented opportunity for more persons to be given employment but this difficulty is expected to be overcome by next Monday when the men are taken on.

MANY HEAR CANTATA

Trinity Reformed Choir Sings to
Crowded Church.

The Lenten Cantata, "The Cross" by Harker, was rendered Sunday evening by the choir of Trinity Reformed Church, Mrs. Carrie B. Pretz, organist and choir-directress, before an audience that packed the church building to overflowing.

At the beginning of the service Mrs. Pretz played two numbers on the organ, "Prelude and Fugue in B Flat" by Bach, and "A Prayer in A Flat" by Guilman. Rev. Clarke W. Heller, pastor of the Cashtown charge of the Reformed church, conducted the service and gave an appropriate talk on "The Cross, its Significance", after which the cantata was rendered. The numbers were well rendered. The soloists were Miss Evelyn Trimmer, Ralph Strevg, G. H. Sachs, H. M. Gibson and P. R. Pontius. The offering which goes to the "New Organ Fund" amounted to \$33.66.

The production was a success. It was due to the untiring efforts of Mrs. Pretz.

EXPECT ROAD DELEGATES

Many Adams County Towns Will Be
Represented Here Tuesday.

On Tuesday morning delegations from McSherrystown, Biglerville, Littlestown, East Berlin, Arendtsville, Fairfield, Brysonia, York Springs, and other sections of Adams county will arrive in Gettysburg to meet the Good Roads committee of the Chamber of Commerce and then proceed to the court house to tell the commissioners that they are heartily in favor of a bond issue for good roads.

BOY LAID TO REST

Six Young Men Act as Pall Bearers
at Doughty Funeral.

David Dougherty, twenty year old son of Charles Dougherty, who died at his home on York street last Tuesday night, was laid to rest in Evergreen cemetery, late Saturday afternoon, after appropriate services had been conducted by Rev. J. B. Baker, pastor of St. James Lutheran Church.

Paul Lower, Harry Wentz, Ray Rice, Radford Lippy, Robert Oyler, and Henry McDonnell acted as pall bearers at the funeral.

HAD POCKETBOOK STOLEN

Mrs. William J. Abel had a pocket book containing \$17 stolen from her while attending the public sale on Center Square Saturday afternoon. The police have been informed and are working on a clue which they believe will lead to an arrest.

LAST SERMON BY LOCAL PASTOR

RECEIVES NEW MEMBERS

Rev. F. H. Brunstetter Leaves
For Harrisburg This
Week.

Sunday Was Decision Day in Methodist
Centenary Movement. Minute
Men Give Short Talks.

Rev. F. H. Brunstetter, who last week was transferred to the Curtin Memorial Church in Harrisburg, preached his last sermon to the New Oxford and Gettysburg congregations of the Methodist Episcopal church Sunday. He and his family will move to Harrisburg the latter part of the week. Rev. Harry Daniels, newly appointed pastor, will arrive here during the week and occupy the pulpits of the charge next Sunday. He comes from Sinnemahoning, Pennsylvania.

Mr. Brunstetter did not preach a farewell sermon but at the conclusion of the services here Sunday night expressed his regret at leaving his host of friends in Gettysburg and New Oxford.

Sunday was Decision Day in the Methodist Church Movement and the service here was featured by baptism and confirmation. Six new members were taken into the church Sunday evening and one child baptized by Mr. Brunstetter as his last service as pastor of the church.

Two minute men in the Centenary Movement preceded the sermon with short talks on the subjects, "Winning Souls For Christ", C. F. Solt in his talk on the question, "Is the Church a Failure?" mentioned certain conditions that would indicate the church had not performed its duty. "But," he declared, "the church has not failed. If it had not been in existence the world would have been wrecked long ago. It might be said that church members have failed, but not the church. It will weather the storm through which it is passing and will emerge stronger than ever before."

Milton Rummel, the second speaker, urged that every member make a determined effort to bring in a new member, saying if that were done the church would gain many millions instead of just one.

Mr. Brunstetter spoke briefly on the "winning souls" campaign, saying that Palm Sunday especially offers a plea for men and women to become Christians. "This town is full of immature Christians and persons who are not church members," he declared, "and Gettysburg is just as good a field in which to work as any other town. I wouldn't give much for a church member who has not tried to bring some one into the church," he added.

OUR SUBS USELESS

Were Too Small and Engines Poorly
Designed.

(By Associated Press)

Washington, March 29—The Navy's submarine board was entirely inadequate to meet the demands of war against Germany, Rear Admiral A. W. Grant, formerly in command of the Atlantic fleet submarine force, testified today before the Senate committee investigating the Navy conduct of the war.

The submarines were too small; of widely different types; of small radius of action; inadequately and poorly designed as to engines, he said.

"It took nearly two years of propaganda to get the Navy Department to realize the importance of building submarines capable of combating the 800 tons German U Boat", stated Rear Admiral Grant.

He said that soon after the United States entered the war he was instructed to prepare and send fifteen submarines abroad. He told the department he declared that if such an expedition arrived at the Azores islands, safely the vessels would have to be laid up for repairs practically all of the time as they had been since they were commissioned.

MOTHER DIES FROM A BROKEN HEART

Shock of Daughter's Death Kills
Mrs. Robert
Reigle.

Her heart broken by the unexpected death of her six year old daughter, Dorothy, ten days ago, Mrs. Robert Reigle, of Menallen township, above Bendersville, died on Sunday afternoon at 5:40 o'clock, only four days after her child had been laid to rest in the cemetery at Bendersville. She was thirty six years old.

The entire community of Bendersville is stunned by the blow to the Reigle family which two weeks ago was living together as happily as any other in that vicinity.

One day, week before last, Mrs. Reigle, who was exceedingly fond of her little girl, accompanied her home from school, totally unaware of the sad events that were to follow. In two days, however, little Dorothy was dead from cardiac neuralgia.

In two more days the mother was forced to seek her bed as the result of the great shock and grew worse steadily during the week until her own death occurred on Sunday.

Mrs. Reigle was a highly esteemed woman of the Bendersville district and was a member of the Methodist church of Wexville. Before her marriage she was Miss Fannie Elizabeth Spangler.

She is survived by her husband; two sons, Edward Reigle, Menallen township, and Charles Reigle, of Gettysburg; and her father Joseph Spangler, Menallen township; a brother, Charles Spangler, Menallen township; two sisters, Mrs. George Oyler, Bendersville, Mrs. William Wenk, Harrisburg.

Funeral at the home on Wednesday at 10:00 o'clock conducted by Rev. W. D. E. Scott, Bendersville.

TO BE LESS WOMEN VOTERS THAN MEN

Men Will Outnumber Women by
More Than Two
Millions.

(By Associated Press)

Washington, March 29—Ballots cast by women in the coming Presidential election will fall short of the potential men's vote by over 2,500,000, provided the suffrage amendment is ratified and state registration laws enacted in time to permit women all over the country to participate, according to estimates by the National Woman's Party.

With the 1910 census as a basis, the Woman's party estimates the number of men eligible to vote at 29,577,690, and the possible woman voters at 26,883,566. In 1916, however, the actual vote cast for all various Presidential candidates was 18,528,743, omitting ballots thrown out for cause, which leaves over 11,000,000 possible votes unregistered. If as large a proportion of the men voters remain indifferent in the coming election, women political leaders here say that the eagerness of women to exercise their newly acquired privilege may more than offset the disparity in numbers between the sexes.

In five of the states, moreover, women of voting age outnumber the men. Massachusetts has the greatest preponderance of women "voters" with 58,264 more women than men, North Carolina is next with a women's majority of 15,288 and South Carolina with 10,307 is third. In Rhode Island women of voting age outnumber the men by 3,196 and in Maryland by 1,292.

PALM SUNDAY SERVICES

Beautiful Weather Attracts Large
Congregations to All Churches.

Beautiful spring weather with light balmy breezes and warm sunshine greeted the members of church congregations who turned out in large numbers to celebrate Palm Sunday in memory of Christ's triumphal entry into Jerusalem. REFORMS HOLD ANNUAL MEETING

Question of Disposing of Old
Graveyard Presented to
Congregation.

THREE PLANS OUTLINED

Officials of St. James and Trinity Will
Reconsider Propositions Presented
by Mr. Pontius.

The question of maintaining and improving the union graveyard at the Trinity Reformed church was the important problem that came before the members of the church at the annual congregational meeting Sunday morning. Three plans were submitted by the pastor, Rev. P. R. Pontius, as follows:

Remove all the bodies, purchase lots in the Evergreen cemetery and rebury the dead.

Level the grounds, sow grass seed and reset the tombstones in cement. Make a chart of the graveyard, remove all the tomb stones, store them in a suitable place, level the ground and sow it in grass.

After some discussion the delegation from St. James Lutheran church was called upon to express their views. Howard Hartley said that at a meeting of the St. James Council it was decided that the St. James people would gladly give to the Reformed church their share of the graveyard provided the Reformed church would release the St. James church of all responsibility; that the St. James church would not co-operate in undertaking any one of the three plans suggested by the pastor of the Reformed church; and that any final action on the part of St. James church would have to be taken at the congregational meeting of that body.

The discussion brought out the fact that the Reformed church did not feel that she should shoulder all the responsibility of beautifying the place, that St. James church also had a duty to her dead which could be rightly assumed only by herself and no other body; and that any improvements made should be shouldered by the two congregations.

A motion was then passed that the Consistory of the Reformed church and the Council of St. James church

STREET WORK STARTS

Machinery and Tools Out of Storage
for Summer Operations.

Street building operations which ceased when winter set in last December were begun again this morning when a force of men in the employ of the McDonald Construction company moved the machinery and tools out of storage. The steam shovel and concrete mixer are now in position and it is expected the work will be under way in full force within a day or two. It is the plan of the contractors to go ahead with the grading work which stopped at Franklin street and continue laying the concrete base which is completed to the intersection of Buford with Chambersburg street.

Actual work by M. Bennett and Sons will be started on Tuesday on the Harrisburg road job.

SEYLAR FUNERAL HELD

Local Pastor Conducts Services For
Girl Killed by Truck.

Funeral services for Miss Anna Seylar, twenty three year old daughter of Mr. and Mrs. Lewis Seylar, who was killed last Thursday when a truck ran over her, were held at the home of her parents, near Guldens, on Sunday afternoon at 1:00 o'clock.

Rev. W. R. Glen, pastor of the United Brethren church at Gettysburg, conducted the services. Interment was made in Evergreen cemetery.

Miss Seylar is survived by her parents and the following sisters and brother: Mrs. Elmer Heyser, Gettysburg; Mrs. Homer Sanders, Anville; Mary, Margaret, Esther, Janet, Martha, Elizabeth, and Lewis, at home.

DELIRIOUS MAN ELUDES NURSES

John Price, of This County,
Started to Walk Home
From Hospital.

Garbed in his nightgown and taking with him a blanket, John Price, of Adams county, a patient at the Chambersburg Hospital, Sunday night eluded the vigilance of the nurses and started walking complacently out the cemented road of the Lincoln Highway, apparently enjoying the moonlight grandeur of the early spring night. He was found by Police Lieutenant Umberhocker at 12:30 o'clock walking in the driveway leading to Ankerbrand's mill at Stouffertown.

Price was brought to the hospital several weeks ago, suffering from the after effects of the flu. His temperature had been unusually high but it was thought that he had improved during the past week. The nurses had been giving him an extra amount of attention because he refused to keep covers of any kind on the bed. Sunday his condition seemed greatly improved. At 10:20 o'clock Sunday night when the nurse made her rounds he was in bed, apparently resting. When she visited the beds again at 10:30 Price had escaped, taking with him a blanket. Investigation showed that he had made his way through the ward without awakening any of the other patients and had exited via a window on the rear porch.

The family of T. A. Rebok, of Lincoln Way East, was aroused shortly after 10:30 o'clock by violent knocking on the door. Upon opening it Price was seen, but shortly afterward he continued on his way. The police department was notified and Lieutenant Umberhocker went in pursuit. After an hour's search he met Price walking in the road that leads to Ankerbrand's mill, opposite the old toll gate. He was returned to the hospital. When asked whether he was chilled by his walk, he said he felt good.

MAY VOTE IN NOVEMBER

Attorney General Schaffer Speaks At
Meeting of Republican Women.

Confirming his previous statement he made two weeks ago, Attorney General Schaffer told the women at the Republican meeting in Philadelphia Saturday that they would not be able to vote at the primaries in May even though Delaware ratifies the Eighteenth Amendment. He told them, however, that decisions of the Supreme Court have made it possible for them to vote at the presidential election in November without the enactment of legislation which was thought necessary. The Attorney General was called upon by Governor Sproul to explain to the women the legal situation.

Governor Sproul told the women that Pennsylvania was going to do everything possible to bring about a full participation by the women in the affairs of the government.

STOCK REPORT

Tornado In West Curtails Trading on
Exchange.

(By Associated Press)

New York, March 29—Trading on the stocks exchange was much curtailed during the morning because of the storm in the middle west which interrupted communications with this center. Recent favorites such as general motors, Crucible steel and Baldwin locomotive were under pressure at declines 3 to 6 points. While Stutz motor reacted steadily to 300, a loss of 18 points. Pronounced strength was shown, however, by Chandler motor, American car, Mexican petroleum, Royal Dutch, and Shell transport while shipping augmented early gains and rails hardened. Sugars were substantially higher with several of utilities and minor specialties.

DESIGNATE ARBOR DAYS

April 16 and 23 Selected By Governor
Sproul.

Governor Sproul in a proclamation has designated Fridays April 16 and 23 as Arbor days. The governor urged that school children and the people generally plant trees in memory of the soldier dead and to place shade trees near schools and dwellings and along country highways and city streets, and especially the planting of young forest trees upon the mountain sides and unused lands, and to protect what has been planted.

CHICAGO STORM CENTER

Property Damage In Middle States
Will Run into Millions. Towns are
Gradually Digging Out of Debris.

(By Associated Press)

Columbus, March 29—Casualties resulting from the storm which swept western Ohio yesterday afternoon and last night totaled thirty two dead, and probably several hundred injured, according to information available this property damage will run into millions of dollars, it is said.

Twenty dead have been reported in the vicinity of Toledo, several small villages in that community having been completely destroyed. The villages of Renolette and Brunersburg near Defiance are total wrecks, fire consuming the wreckage in the former. Six are dead in these two villages. Three are dead at Van Wert, three at Mouton, two at Toledo, one at Lima, four at Nashville and Greenville and one at Cleveland, three at Rabb's Corners and two at Genoa.

Chicago, March 29—Reports today from the tornado swept state in the middle west yesterday indicates that 77 persons lost their lives while thousands were rendered homeless and millions of dollars worth of damage done. Chicago and suburbs show the greatest toll of lives, twenty nine persons being killed with the greatest loss at Melrose Park.

Fifty Dead in Georgia

La Grange, Ga., March 29—Casualties resulting from the storm which swept this section late yesterday were placed today at about 50 dead and 100 to 125 injured. Approximately 100 homes were destroyed and property damaged estimated at \$500,000.

Many Reported Missing

Indianapolis, Mar. 29—Twenty seven dead and at least 100 missing was the toll taken in the tornado which swept through northern Indiana yesterday according to reports reaching here today.

Elgin Digging Out

Elgin, Ill., March 29—Elgin today began digging itself out from the wreckage of yesterday's disastrous tornado which claimed eight lives, injured more than 100 and did damage to property estimated at \$4,000,000.

Merchants and professional men joined hundreds of laborers in clearing the streets today.

Michigan Reports Meager

Detroit, March 29—The death toll of yesterday's storm in central and western Michigan was still undetermined early this morning, only fragmentary reports coming over disarranged wires. These reports indicated the loss of life at five—four persons between Long Lake and Fenton and one at Hart. A number of injured was also reported in the wake of the storm which apparently entered the state at Gary, Indiana, and swept northeast through Kalamazoo, Battle Creek, Lansing, Fenton and Flint.

CYCLONE IN ALABAMA

MANY KILLED IN TORNADO FURY

Trail of Ruin in Path of Storm in Middle West.

GREAT IS PROPERTY LOSS

Elgin Hard Hit, Proclaims Martial Law. Buildings, Churches and Residences Destroyed.

Chicago, March 29.—At least 25 dead, hundreds of injured, and a property loss of several million dollars were left in the wake of a tornado that swept Northwestern Illinois and portions of Indiana, Missouri and Wisconsin, Sunday.

Elgin, Joliet, the western outskirts of Chicago, and North Shore and western suburbs were in the path of the storm, which destroyed hundreds of buildings, uprooted trees and demoralized railroad traffic and telephonic communications before dying out on the shore of Lake Michigan, just north of Chicago.

The fury of the tornado was felt chiefly at Elgin and Melrose park, a Chicago suburb. Eight were killed and more than 100 injured at the former city, 36 miles west of Chicago, and the property loss there was estimated at \$4,000,000. At Melrose Park seven were killed.

Two Killed in Chicago

In Chicago proper two persons were killed and a score injured, while at Dunning, a northwestern suburb, four deaths were reported, more than a hundred were injured and 1,000 made homeless.

While northeastern Illinois sustained the principal damage the tornado in its freakish career, swept several Indiana towns near Fort Wayne resulting in three deaths, caused the death of one man and the injury of several persons in St. Louis, and killed Mrs. Louis Brown at East Troy, Wisconsin.

Reports from some of the country districts in Illinois and Indiana were meager and it was feared the death toll might be considerably augmented when isolated rural communities were heard from. Telephone, telegraph and power wires to nearly all of the towns in the path of the storm were down, and many of the places were in darkness.

Outside of Chicago, Wauconda, McHenry, Woodstock, Algonquin and Marengo, felt the full effects of the storm, but communication with them was cut off.

Edgerton Hard Hit.

Edgerton, Ind., 18 miles from Fort Wayne, was reported hard hit. Three persons were reported killed at Zulu, Ind., near Fort Wayne, while several were said to have been injured at Ossian.

Property loss running into the hundreds of thousands of dollars was caused in Evanston, Wilmette and other North Shore suburbs, while Bellwood, Maywood, Edgebrook and other villages west of Chicago were damaged. No fatalities were reported from the latter places, but many were injured by flying glass and timbers and broken trees.

In the Chicago territory the tornado first passed through the village of Bellwood, and sweeping from there through Maywood and Melrose Park, left a path of destruction 200 yards wide and a mile and a half long.

175 Houses Levelled.

In 10 minutes 175 houses in the quarter were levelled and 400 were damaged. The wind tore into the business quarter of Melrose Park, ripping roofs from buildings, shattering windows and piling the streets with debris.

PAYING FOR THEIR GRAVE

Congressmen Forced to Settle for Long Personal Messages.

Washington, D. C., March 29.—An average of \$500 a month is being collected by the House Committee of Accounts from members who sent personal telegrams at public expense, Chairman Ireland said Saturday. Discovery a few weeks ago of a telegram seven feet long was followed by an investigation of messages filed since May 19, when the Sixty-sixth Congress convened. Several telegrams have been found rivaling the seven-footer, but none quite so long. The total of back collections will amount to about \$5000.

ATLANTIC CITY A FASHION SHOW

Record Crowd Parades Great Wooden Way. Toy Dogs In Style.

Atlantic City, N. J., March 29.—Thousands of visitors from all over the United States and from Canada helped to make the fashion promenade on the great wooden way Sunday a record breaker. One could but wonder how it was possible to gather so many people in one place and how the city could possibly house them all. Not only was the walk flanked on either side by a steady stream of roller chairs, the center space black with pedestrians who good-naturedly bumped into each other, but hundreds more watched the parade from the sun parlors of the beach-front hotels, pavilions and the piers, while others viewed it from overhead in aeroplanes.

It was an interesting parade for the many types it represented, types that one never sees combined anywhere so well as in the city by the sea. Of women there were countless numbers, smartly garbed, smiling. With them came their toy dogs, and so tiny was the ball of fur that you had to look twice to be quite sure that it was a dog huggled so tightly under the arm. There seems to be styles in dogs as well as in clothes. Last year the large dog reigned supreme at the beach, and this season their mistresses are bragging on their diminutiveness. The men are here, too, though not nearly in so large numbers as the women—and of fat men there are plenty. They luxuriously rode in the chair parade, an entire chair for each man.

OPPOSES THIRD TERM

Friends Say He Will Follow Precedent of Country.

Washington, March 29.—President Wilson stands with former Presidents opposed to a third term, according to one of his advisers, who said that those closest to the President know full well that he does not intend to seek a third term or use the power of his office to dictate the nomination of his successor.

It was further explained by a leading member of the Democratic National Committee that President Wilson, now in control of the machinery, will not relinquish it by announcing to the country his intention to retire at the end of his term. To do so, it was pointed out, would plunge the party into bitter factional warfare at the San Francisco convention and prevent the President's friends from controlling the action in the convention on a platform.

While it is not the purpose of the President to seek the nomination, it is his purpose, this national committee man said, to largely mold the platform and write into it the issues which he thinks the Democratic candidate must support.

MRS. MARY JANE SMITH

Mrs. Mary Jane Smith, widow of Emanuel Smith, died last Friday afternoon at the home of her daughter-in-law, Mrs. Annie Smith, Mt. Rock. Death was due to heart trouble and infirmities of old age. She was aged 82 years, 8 months and 16 days.

She was the daughter of the late Emanuel and Elizabeth Kuhn, of Adams County. Her husband died 27 years ago. She is survived by two step sons, Gregory and T. E. Smith, Evansville, Indiana. Her daughter-in-law, Mrs. Annie Smith, with whom she resided, and two brothers, E. P. Kuhn, Hanover, and Frank Kuhn, East Berlin, also survive.

Funeral Monday morning. A requiem high mass celebrated in Conewago Chapel by the Rev. Dr. Charles Koch. Burial in the family plot in Conewago Chapel cemetery.

MRS. CHARLES MARCH

Following a second operation at the Hahnemann Hospital, Mrs. Emma March, wife of Charles March, Midway, died last Friday night at the above mentioned hospital. Mrs. March underwent an operation seven weeks ago and another operation Friday morning. She was aged about forty years. Before marriage she was Miss Emma King. She was married about twenty years ago to Mr. March who survives with her parents and several brothers and sisters, who live near Gettysburg.

The body was brought to Hanover Saturday evening.

JOHN BURGARD

John Burgard died on Saturday at 8:30 a. m., at the home of his son, Jonas, Bigmouth, after being confined to bed by sickness for the last three years. Death was due to a complication of diseases. He was 86 years and 20 days old. He is survived by five sons, Peter, Jonas and John, Bigmouth; Noah, York, and Jacob, La Bott, and a sister, Mrs. Peter Harbold, near Dillsburg.

POLES DEFEAT RED ATTACKS

Fierce Fighting Back and Forth Across Dvina River.

MANY PITCHED BATTLES

Armored Trains and River Craft Clash. Bolsheviki Have Seized Millions in Arms.

Warsaw, March 29.—Russian Bolshevik forces in their wide flung offensive against the Poles have attacked on the extreme northern front, beyond the Dvina, it is announced in Saturday's communique from Polish headquarters. Drives were launched between Lake Osveia and the Dvina in an apparent effort by the Soviet forces to cross the river at several points. The Poles counter attacked, driving the enemy beyond the river and taking 80 prisoners, the statement reports. The fighting in this sector is continuing.

Polish armored trains fought pitched battles against the Bolshevik monitors and other fighting craft on the Pripiet River during the Bolshevik thrust which was designed to gain control of additional links of the railroad extending from Homel to Kalenikowicz and Mozir. The Bolsheviks put down artillery preparation of the opening of a barrage from the river boats and then infantry attacks.

The Bolshevik drive has been unsuccessful, according to a communication issued Saturday. The communication announces that the Polish military authorities after eight days of fighting at various points on a 600 kilometer front see signs of weakness in the long planned spring drive of the Bolsheviks which was designed to break the hold of the Poles upon the entire front.

On the front in Volhynia the Bolsheviks also delivered a new attack in the region of Olewsk and likewise in the Jemilezna sector. The communique announces the Reds were repulsed everywhere with losses.

In Podolia, northeast of Kamenetz-Podolsk, the line swings back and forth a few kilometers daily, the Bolsheviks persistently attacking with artillery and infantry in their effort to take Kamenetz-Podolsk. The fighting on Thursday centered in the region of Nowauszyca.

The Bolsheviks are reported to have brought up fresh troops, but from the last accounts General Litovsk's troops were holding the Reds.

In the fighting along the Slutch River a force of Polish Lancers is reported to have made an extensive raid, capturing 500 Bolsheviks, who had been cut off from their comrades. The communication also reports severe fighting in the region of Olensk, and to the south along the Slutch River, with both sides using artillery extensively.

On the Podolian front there is fighting along the railroad from Ploskirow to Zoierynka, the Bolsheviks having attacked. They were driven back a few kilometers in a northeasterly direction, however. The Poles announce that several of the Bolshevik formations were annihilated.

It is estimated that the locomotives, rolling stock, armored boats and other Pripiet Lakes craft seized when the Poles captured Mozir are worth 3,000,000,000 marks.

ADDISON WHERLEY

Mount Joy Resident Dies at Age of Twenty Six.

Addison Wherley, twenty six years old, died on Saturday at his residence in Mount Joy township near the Hoffman Orphanage.

At the time of his death Mr. Wherley was a farmer of that vicinity of the county and he followed that occupation throughout his entire life. He was a member of St. Marks Reformed church near Gettysburg.

He is survived by his wife, formerly Miss Annie McGuigan, of near Hunterstown, and one daughter, Delphine.

Funeral services at the house Tuesday at 9:30 o'clock. Further services in Grace church, Two Taverns, conducted by Rev. I. M. Lau, of Littlestown.

Interment in the Grace church cemetery.

OBEY DOG LAW

Violators Must Pay \$100 Fine or Go to Jail.

Constables and justices of the peace throughout Adams county today received notices to enforce stringently the law compelling dog owners to procure licenses for their animals or else be forced to pay \$100 fine with the alternative of three months in jail.

GERMAN WORKERS NOW OFFER PEACE

Expect Rebels to Make Terms. Would Bring End of Fighting.

Paris, March 29.—It is the opinion in official circles in Berlin that an agreement shortly will be reached between the Government and the militant workmen in the Ruhr region, according to advices from the German capital Sunday. The Vossische Zeitung says that the Socialist groups have decided to send emissaries to Wesel to arrange peace between the regular troops and the workers' forces who are besieging the fortress there.

A dispatch from Mayence reports that the workers' committee which assumed power in Duisburg removed the burgomaster, disbanded the police and confiscated the banks.

A Berlin message announces that a bomb exploding in an automobile occupied by five German army officers, among whom was Major Pfug, who was involved in the Kapp coup d'etat, killed all the occupants of the car.

Charges that the military party in Germany has been secretly working on a reorganization plan for the German army are made by the Journal Sunday. Investigation has revealed this, it declares, and has shown that the list of men who can be mobilized at the first call totals 300,000 in Bavaria alone.

The Petit Parisien says it learns that the Government has proposed to the Allies that immediate action be taken to prevent the neutral zone along the German border being constantly entered by Reichswehr forces, contrary to the peace treaty's stipulations.

Workers Frame Peace Demands

Dusseldorf, March 29.—A speedy settlement of the warfare in the Ruhr mining and industrial district, which has been in progress for eight days, and of the struggle between troops and workmen elsewhere in Germany, is hoped for by members of the workers' executive committee here as the result of the proposal drafted by the general conference of workmen in Essen Sunday.

OFFICERS RAID ILLICIT STILL

Son of Hagerstown Brewery Man Captured and Held.

Following a raid by three United States revenue officers, assisted by Deputy United States Marshal C. A. C. Oher, Sheriff Duffy and several policemen Saturday night, on a house in Hagerstown where for many years a saloon had been conducted, Edward Herrmann, son of Philip Herrmann, former president of the Hagerstown Brewing Company, and Frank C. Heleine, former saloonkeeper, were arrested on a charge of manufacturing and selling liquor.

The officers found in the cellar of the house an illicit still and quantities of liquors of various kinds, Mash, raisins, prunes, etc., used in distilling liquors, were found. Part of the liquor was destroyed on the spot, and the remainder brought to police headquarters, together with the still, which comprised a large iron kettle with several copper coils.

Herrmann, who formerly conducted a saloon at the house, and Heleine were taken before United States Commissioner A. K. Hagner, who held them in \$5,000 bail for a hearing Tuesday morning. Both furnished bail.

ITALY GIVES YORK CANNON

Mountain Piece to Home Town of Consul Busser.

The Italian Government has presented to York, the home of Ralph C. Busser, American consul at Trieste, Italy, a mountain cannon, as a testimonial of the city's appreciation of "America's timely and valuable assistance in winning the great war."

Ceremonies of quite an elaborate nature were carried out on board the United States steamer Vanada in the harbor, a large crowd of Americans, members of the Italian naval command and a platoon of Italian marines being in attendance. Commander Pontefromoli made the presentation address.

FARMERS OPPOSE NEW CIDER LAWS

Says Squire Hammers. Ralls at Restrictions By the Government.

RED TAPE A NUISANCE

Prohibitionists Have Become Joy Killers, He Says. Makes Prediction About Coming Elections.

For 1900 years, says S. S. W. Hammers, the farmer, who was the bone and sinew of our nation, in the fall of the year gathered his apples, made his cider, made his apple butter, and if any cider was left it was put in jugs or kegs for drinking purposes until it was sour, then it was placed in the vinegar keg and in this way the family had their vinegar for the following year. Now what has gotten over the farmer? Great statesmen, preachers and others say the people are growing weaker and wiser. This we deny, the wiser part.

The Prohibitionist now must have laws to tell the farmer how old his cider must be to make his butter, how many days old it has to be to be fit for drinking purposes. If he has a little that is not fit to drink and wishes to make a little vinegar of it he must enter into a great bond with the United States and go through a lot of red tape. Why such infernal rulings? Why cannot his sour cider be placed into his vinegar cask and enjoy good vinegar? Not one gallon out of fifty of these manufactured vinegars are fit to use, and yet the old home-made cider vinegar must be cut out or the farmers be worried to death with a lot of red tape business.

It does not look like the farmers are getting wiser when the Prohibition laws bind him down and be boss of his cellar. He may be getting weaker and if our country continues to heap unjust laws on him, the farmer will soon be too weak to support this nation.

It is not only the cider vinegar and apple butter that Prohibitionists are binding him down with laws and depriving him of his cider beverages, but these long bony fingers of the Prohibitionist joy killers are now pointing their fingers at the movies, theatres, dances, card parties, tobacco and all the other so-called vices which all the churches have preached up that there is no harm in. Thank God there is only one cent war tax on ice cream.

We will wager that no dry candidate in American will be elected this fall. No latter-day, tidal-wave dry candidate can be elected this year when Prohibition laws will bind the farmer, his apple butter, his cider, and his vinegar under such strict laws. Out of a party of twenty two voters recently every man of all parties swore to vote wet this fall.

FAVORS DISCIPLINE STAND

Bishop Would Eliminate Expulsion For Dancing And Theaters.

Bishop J. F. Berry, of the Philadelphia conference of the Methodist Episcopal church, has approved the stand taken by the ministers at the Harrisburg meeting in passing a memorial suggesting that the General Conference eliminate the paragraph in the discipline making members of the denomination who attend theaters, dances or play cards liable to expulsion. The Bishop agrees that as the penalty is not being enforced it ought to be eliminated from the discipline without changing the attitude of the church toward amusements.

Mr. and Mrs. Sockey, of Arendtsville, visited Mr. and Mrs. R. W. Taylor and family, on Sunday.

Mrs. William Stover, of this vicinity, is spending several days with her son and daughter-in-law, Mr. and Mrs. Mervin Stover, of Arendtsville.

E. J. Taylor, of Bendersville, was a recent visitor with his parents, Mr. and Mrs. S. J. Taylor, of near Brysonia.

DEMOCRATS TO MEET

Ringmaster's Committee To Enliven Latent Members.

State Chairman Lawrence H. Rupp, of the Democratic State committee, has called the committee to meet in Chestnut Street Auditorium in Harrisburg on April 15 for revision of the party rules so that in event of ratification of the suffrage amendment women will have the same voice in party affairs as men, providing they get on the side that is running the machine.

The State committee meeting is to be preceded by a session of the ringmasters' executive committee for the chastising of any Democrats who appear to be bellicose. The State committee contains men of both factions and as this will be just about a month ahead of the primary there may be a battle as some people here suspect that it is a scheme to give women the right to vote in the Democratic primary. In any event all signs are favorable to an interesting and perhaps strenuous gathering. Never before in party history has a meeting been held at such a significant time. All the machine crowd will be here and Judge Eugene C. Bonniwell will probably be here at the same time.

DON'T FUSS WITH MUSTARD PLASTERS!

Musterole Works Without the Blister—Easier, Quicker

There's no sense in mixing a mess of mustard, flour and water when you can easily relieve pain, soreness or stiffness with a little clean, white Musterole. Musterole is made of pure oil of mustard and other helpful ingredients, combined in the form of the present white ointment. It takes the place of mustard plasters and will not blister. Musterole usually gives prompt relief from sore throats, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet, colds of the chest (it often prevents pneumonia). 30c and 60c jars; hospital size \$2.50

MEN!

The greatest asset you have is your strength. You can't afford to give out. It is a vital necessity that you have your nervous and muscular system in perfect order to withstand the constant wear and tear of your daily work.

The finest tissue builder and strength creator is Vinol, a Cod Liver preparation (without oil) only the valuable medicinal properties being combined with peptonate of iron and other body-building and strength creating elements. Its use will keep you in health and strength.

DEBILITY

results from a weakened condition due to imperfect digestion, lack of nutrition or overwork. Vinol strengthens the digestive organs, creates a healthy appetite and makes new blood. You lose that fatigue, weakness and run down feeling when you take Vinol.

NERVOUSNESS

is a complaint that can be readily overcome by using Vinol. It repairs broken down nerve tissue and builds strong, healthy nerves that enable you to withstand the worries and annoyances unavoidable in business.

BRAIN FAG

won't attack you if you repair used-up nerve force with Vinol. Vinol puts strength into your system—it gives you vitality and energy—it nourishes your brain and body and keeps you in a perfect state of health—it quickly re-establishes strength after any severe illness.

DYSPEPSIA

is due to derangement of the digestive organs and their inability to assimilate nourishment. Vinol strengthens the overtaxed and weakened digestive nerves and helps your stomach do its work.

Bank Notice

The Gettysburg National Bank, on account of the high rates of interest now received, thinks it but just that its patrons should share its prosperity.

We have therefore decided to increase the rate of interest on Time Certificates of Deposit to 4 per cent. This rate will be paid on all Time Certificates from March 1st, 1920.

This rate will apply not only to all new certificates issued on and after March 1st, 1920, but also to all outstanding certificates. Our customers need not bring in their certificates to have them re-written in order to obtain the advantage of the increased rates.

We will continue to give our patrons the best and safest service, which has been our policy for more than a hundred years.

Your business is solicited and will be appreciated.

To Discuss Blue Laws

An overture from St. James church to the Reformed church was heard concerning a better enforcement of the Blue Laws of Pennsylvania in Gettysburg. T. J. Winebrenner, C. E. Stahl and George W. Rex were appointed a committee to represent the Reformed church.

It was announced that Mrs. Charles S. Duncan would donate the bronze tablet to be placed in Barkley cottage of the Hoffman Orphanage, at Littlestown, in memory of her father and the former pastor of the church, Dr. T. J. Barkley, who was the first president of the Hoffman Orphanage Board of Directors. The congregation decided to furnish the large room in the Barkley cottage.

E. F. Hull and W. A. Miller were elected to the office of elder, and William Ogden and C. M. McCullough to the office of deacon.

Reports were received from all departments of the Sunday School, Ladies Aid Society, Junior Aid Society, The Woman's Missionary Society, Junior and Intermediate choirs, The Adult choir, the church treasurer and the pastor.

Telephone Rate-Making

THE day of guessing is gone!

Forty years experience has clearly shown that telephone rates must be sufficient to afford a revenue that will pay all expenses, as well as return a reasonable profit to the owners.

The cost of a telephone plant is now accurately known, and so is the life of its various parts. Their replacement is a constant expense.

Our present rates are based on the cost and expense figures of 1911, 1912 and 1913, and they do not measure up to the present day conditions.

They afforded only a small return in those good old days. Today they do not keep "the wheels" of the industry moving.

Rates just the same as before the war will not give satisfactory telephone service to the people of Pennsylvania in these times. They must be made adequate in order to enable us to keep the service up.

FIRST ANNUAL SALE

OF

FARM MACHINERY

SATURDAY, APRIL 3, 1920

Soliciting trade by canvassing has become very expensive, so I have decided to give the farmers an opportunity to buy the machinery that he needs at public sale thereby giving him a chance to save this expense. Anyone in need of machinery should wait for this sale as a full line will be offered and will be set up ready for inspection several days before the sale.

\$25,000.00 WORTH OF MACHINERY IN STOCK

Sale to begin at 12:00 o'clock. Free lunch at 11:30.

H. J. OYLER, BIGLERVILLE, PA.

One Car Load of Deering Harvesting Machinery

I will offer Binders, Mowers, and Rakes by sample of the latest models taken from the same stock that you have been buying privately.

One Car Load Of Swab Wagons

These wagons are wide track and will offer light, medium, and heavy sizes. This make is absolutely the best on the market. You will make no mistake in buying one of these wagons.

Twenty Five Syracuse And Oliver Plows

Will offer one, two and three horse plows in both wood and steel beam.

Perry And Lever Harrows

You will be able to get anything in the harrow line as I will have Perry, Steel lever and slide, lever with wheel, and peg harrows, all sizes from nine tooth one horse to thirty five tooth tractor harrows.

Tractors And Tractor Equipment International Make

Will have on exhibition two car loads of Titan 10-20 and 8-16 four cylinder tractors. These tractors need no recommendation as they are well represented in this section. There are more International than any other make.

Forty Cultivators

Will have a variety of cultivators such as Internationals, Buckeye, Hench and Dromgold, John Deere, of the riding and walking style. Will have some extra good second hand cultivators that were only used for a short time and are practically good as new.

Single And Double Row Planters

As to the makes of planters I will have in the single row Daisy, Superior and Mountville, and in the two row International, Superior, and Hoosier. These will be equipped with disc and runner.

Gasoline Engines

If you are looking for a small engine for your power washer or sprayer will have them in one, two, and three horse sizes, and can be used for many other purposes.

Second Hand Machinery

This part of the sale should attract many buyers as I will have all kinds of used machinery, some practically good as new, to sell.

Buggies

If you want to buy a good second hand rubber tire buggy we will have it to sell. Several surries good as new.

Oils And Greases

Have a good stock of tractor, engine, machine oils and greases in stock and will offer a limited amount at the sale.

Miscellaneous

There are many other items such as Poultry wire, Hand washers, Cream Separators, Wheelbarrows, Single and Double trees, and a lot of shelf goods that will be sold.

Private Sale

In order to stimulate private sales on this day only, any person may avail himself of the items of the sale by buying privately. Some one may not see the machinery sold in which he is interested. If so he may buy privately and get the same terms of the regular sale.

Credit

A credit of six months will be given on all purchases above \$10.00 to purchaser giving his note with approved security or 3 per cent off for cash.

Machinery bought will be taken care of for a reasonable time at the purchasers risk. If desired delivery to the freight station free of charge in Biglerville.

Don't Forget The Time And Date

Sale will begin at 12:00 noon April 3d, 1920. Free lunch will be served at 11:30.

Something For Nothing Farmers Record and Account Book

The time has come when a farmer must manage his farm and business as systematically as does the manufacturer and retailer his business.

For this purpose this book is arranged and the system which it requires is at once effective and simple. By making a few entries each day the farmer can determine at any time his correct financial standing, as also at the end of the year, he does not have to guess at it.

By consulting his figures he can keep in touch with each branch of his work, and can regulate his expenditures and sales to the greatest advantage.

It also contains a great deal of useful information to the farmer in his business.

In order to place this valuable book in the hands of farmers only we will present to each one on the purchase of \$10.00 worth of goods or more in any one week, one of these books FREE. Be sure and ask for it as we believe you will appreciate its value after once using it.

(Medical Advertising) HAVE COLOR IN CHEEKS

Be Better Looking—Take
Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause. Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. Millions of boxes are sold annually at 10c and 25c. Take one or two nightly and note the pleasing results.
